Monday 11th May 2020

Dear Parents and Carers,

I'm sure you, like me, watched the Prime Minister's address last night and it may well have raised more questions than answers.

Like you, leaders, teachers and governors have only just seen the announcement and at this stage we cannot answer all the questions that you will undoubtedly have.

As the return to school is conditional, I would urge a little caution about the messages that you give to children that are in EYFS, Year 1 and Year 6 at this time. Nothing is yet confirmed and indeed the way this might be possible in terms of safely staffing and accommodating these year groups has yet to be determined.

We will be waiting to receive more information from the government about what this means for our school. In the short term however, nothing has changed and we will provide further information in the coming days and weeks once we are able to do so.

Our remit to provide childcare where parents/carers are key workers hasn't changed. We will, of course, respond appropriately if and when this does change.

Thank you for your support and patience; we promise to continue to do our very best to protect and to provide a service for everyone at this challenging time.

Kind regards

Debbie Brown
